

Dear Vendor,

We are pleased to inform that we have partnered with C2FO, a global leader in working capital solutions, to provide a secure online platform that enables you to receive early payment on your Air France invoices.

Through the C2FO platform, you can suggest a discount on one, or all, of your outstanding invoices with us. If your offer is accepted, early payment will be initiated on the next immediate payment run. You will receive early payment on Air France invoices using your current payment method.

The Air France Early Payment Programme is simple and has many advantages:

- Access to cash flow whenever you need it
- Lower cost than traditional sources of funding
- No changes to existing payment terms or billing processes
- No maintenance fees and no paperwork to complete
- Secure access for viewing your approved invoices
- No charge for activation, just the opportunity to see how C2FO could improve your cash flow

Finally, the best part about the programme is that you determine which invoices to discount and how much of a discount to offer, so you're in complete control.

To learn more about the programme and activate your account, please visit airfrance.c2fo.com.

We hope you will decide to participate and thank you for your continued partnership with Air France.

Kind regards,

Christian GAUTHIER
Purchasing manager
